

# **GRAYWOLF SENSING SOLUTIONS MOVING TO INTERNATIONAL PLACE, SHELTON**

Shelton, CT  
February, 2009

GrayWolf will be relocating its worldwide headquarters to International Place in Shelton, Connecticut. We're moving into the newly constructed 6 Research Drive building and expanding our space for corporate growth, but also to add a larger, more extensive calibration and service capacity, complimenting our service capability in Maine and our manufacturing and servicing facility in Ireland.

The new address, effective April 6<sup>th</sup> 2009, is:  
GrayWolf Sensing Solutions  
6 Research Drive  
Shelton, CT 06484
